10.	Student feedback mechanism on Institutional Governance /Faculty Performance	:	We have introduced a system of evaluation of the performance of teachers by students since last 8 years. According to this, a structured questionnaire covering various aspects of academic and extra-curricular activities is administered to the students and students rate

the performance of the teachers on a five-point scale. The feed-back given by the students is analysed and the teachers whose performance is not satisfactory are counseled, warned and punished as per the requirement. This method of evaluation is helping the teachers to improve their performance.

11. Grievance redressal mechanism for faculty, staff and students :
